Crafted in France, this elegant forged iron curved bench stands on six legs ending with hoof feet and connected with stretchers at the base. The seating has gracious lines, scrolled armrests, and a curved back; the comfortable four-seat bench is further signed Sauveur a Arras (city north of Paris). The metal bench is in excellent condition and adorns a sleek gun barrel finish. The simple versatile bench could be used in an entry or sun room, on a landing, or outside on a covered patio or veranda for extra seating. Measures: 77" W x 21" D x 34.75" H.
