Add extra seating to a covered outdoor space with this elegant yet simple forged iron double bench from France. Complete with a polished metal finish, the six-seat bench has gracious lines, beautifully scrolled armrests, a curved back and four legs connected to a double stretcher ending with hoof feet. The garden bench is signed "Sauveur a Arras" (city north of Paris). The seating is in excellent condition and could be used indoor as well as outdoor with extra protection coating to avoid rusting. Measures: 58.5" W x 46.5" D x 34.75" H.
