Decorate your desktop or mantel with this monumental antique fruitwood clock crafted in Switzerland, circa 1860; the hand-carved master piece features two sided cherubs holding a grape basket with a duck, frog and reeds underneath. The center face has blue enamel roman numbers and the clock mechanism has been cleaned and checked by our clock expert repairman; original pendulum and key included. This piece would make a great addition for any mantel, console or buffet! Excellent condition, very good working order and rich walnut patina. Measures: 23" W x 14" D x 24" H. SKU: 73-412
