This elegant antique putti figure was carved in Italy, circa 1770. Standing on an oval base, the detailed statue features a young boy with wings his head turned to the side. The adorable cherub is wearing traditional clothing wrapped around his waist. The expressive cherub is in excellent condition, with exquisite detailed carvings, and adorns a rich walnut patina with gilt accents. Versatile, the cheerful sculpture could be displayed on a shelf in a study or office, or be converted into a sweet table lamp. Measures: 13" W x 8" D x 19" H.
