Decorate a dining room table or a mantel with this large antique jardinière; crafted in Normandy, circa 1860, the oblong planter stands on scrolled feet and features scrolled handles on the sides over a scalloped rim. The long ceramic dish is hand painted with colorful floral motifs in the blue, green and yellow palette over a beige background. The jardinière is in excellent condition and stamped on the bottom Rouen with marking. Size: 26.25" W x 9" D x 7" H.
