This elegant antique candle holder was created in Italy circa 1860. Standing on three paw feet over a triangular base, the tall candlestick features a carved stem dressed with a metal bobèche at the pediment. The dramatic, embellished candle holder is in excellent condition and adorned with a rich two-tone patinated silver leaf and gold leaf finish. Place it on a landing or bathtub or convert it into a table lamp. Candle included. Measures: 8"W x 8"D x 38.25"H.
