Create a focal point in any room with this gleaming antique wall mirror. Hand carved in France circa 1960, and round in shape, the mirror is decorated with carved rose and flower motifs in high relief. The piece has a shape and shimmering texture that resembles the style of a sunburst mirror. The circular vintage mirror is in excellent condition and adorns a rich patinated gilt finish. The golden, versatile wall decor could be incorporated into a living room, hallway, or powder bathroom. Measure: 22.75" Diameter
