

MID-20TH CENTURY FRENCH CARVED OAK STATUARY CANDLEHOLDER

$425

SKU: 201-309
Stock: N/A
Categories: Candelabras & Candlesticks

This large antique wood carved sculpture composition was crafted in France circa 1950; made of oakwood, the statue depicts a church page or altar server holding a torch. The top for the candlestick is curved in order to hold a candle. The carved figure is in excellent condition with a rich walnut patina. Size: 7" W x 5.5" D x 26" H.
