Decorate a kitchen counter with this vintage iron pig sculpture. Crafted in France, circa 1960, the hand painted pig is dressed with a slot for coins at the pediment; with very realistic shape and detail, the piggy bank has a beautiful beige rubbed and patinated finish. The cheerful figure is in excellent condition, and adorns a wonderful painted finish; use it to catch family's spare change. Measures: 10.5" W x 4" D x 5" H.
