Decorate your bathroom or your kitchen cabinets with this colorful set of apothecary jars; created in Italy, circa 1970, each faience jar has a dome shaped top and features hand painted floral motifs in the manner of Delft in the blue and white palette (one is green and blue). The ceramic jars are further embellished with hand written medicine words; "Pom Nervi", "Adeps Lanae", "Ham Virg", "Cetac Alb", and "Samb Nigra". The large decorative bottles are in excellent condition with rich patinated colors.

Measures: 6.5" diameter

14.5" height.
