Categories: [Vases, Jardinières, Planters & Centerpieces](#)

Decorate a table or a console with this colorful antique porcelain vase. Crafted in China circa 1950, the important Family Verte vessel is round in shape decorated with a wide neck at the top. The tall vase is embellished with hand painted avian and botanical motifs throughout. The large flower vase is in excellent condition with wonderful colors in the green and orange palette, and embellished with gilt accents. Four red character seal artist mark on the underfoot for further authentication. Measure: 24" Height.
