Decorate a den or a living room with this colorful vintage garden stool. Created in China, circa 1960 and round in shape, the porcelain seat is pierced on the top and around the perimeter for an intricate, sculptural effect. The exotic Asian stool features bird and flower decor. The ceramic seat is in excellent condition with soft colors in the green, blue, orange, yellow and pink palette on a white background. Versatile, the stool could also be used as an accent table on an outdoor patio. Measures: 12.5" diameter 17" height.
