This large antique charger was crafted in Holland, circa 1960. The large, wall hanging plate depicts a wintry cottage scene, a Dutch windmill and boat, as well as people enjoying the frozen lake! One person is assembling skate shoes, while the other 2 stand in front of their ice sled. This platter has the traditional ditch classic blue and white palette. The ceramic piece has a flower border and features a farm house, a fishermen on a boat and a windmill in the background. The hand painted, porcelain piece is stamped on the back "Royal Sphinx Maastricht, Made in Holland Delfts" Measures: 15.75" diameter, 2" height.
