This elegant vintage sunburst mirror was crafted in France, circa 1960. Rectangular in shape and decorated with carved scalloped edges around the frieze frame, the antique wall mirror features a raised center mercury glass set inside; the four sides are embellished with small overlay mirrored insets throughout. The cushion mirror is in excellent condition commensurate with age and use and adorns a rich patinated gilt finish; place it in a powder room, in an entry, or in a hallway for the perfect touch of shine. Hook in the back for easy handling and installation. Measures: 27" W x 21" H.
