This elegant two-tier bar cart was crafted in France circa 1960 and embodies the sleek sophistication of mid-century design. Oval in shape and built from gilt brass, the vintage service trolley features fluted legs topped with decorative finials and rolls smoothly on original castors for easy mobility. Both tiers retain their original inset glass shelves and are surrounded by pierced gallery rims with a delicate repeating pattern. The top shelf doubles as a removable tray, flanked by integrated brass handles—perfect for serving cocktails, tea, or hors d'oeuvres with ease. In excellent condition commensurate with age and use, the cart displays a richly patinated brass finish that adds warmth and depth to its refined silhouette. Whether used for entertaining or as a chic accent piece, this classic French trolley brings timeless charm and practical elegance to any interior. Dimensions: 23" W x 18" D x 24" H
