Place this large antique light fixture over a dining or breakfast table. Crafted in France circa 1960, and made of solid iron, the round chandelier features a thick circular gallery around the perimeter. The elegant fixture has six scrolled arms; the lights newly wired are dressed with decorative candle sleeve covers. The light also has six chains embellished with central motifs and connected to a decorative crown at the top. The heavy Gothic style chandelier is in excellent condition and adorns a rich patinated rust finish with gilt accents; it will give a true old world look to any traditional home in a den or study. Included: A canopy, loop, and chain, each color-matched to the fixture. Measures: 36" diameter 30" height.
