Bring refined French modernism to a living room or sitting area with this elegant set of three vintage nesting tables. Crafted in France circa 1930, the “tables gigognes” are built of hand-forged iron with a warm gilt patinated finish and feature graceful curule-form “Dagobert” legs joined by decorative rope-twist stretchers at the center. The clean architectural lines and airy silhouette give the ensemble a sophisticated balance of neoclassical influence and Art Deco restraint.

Each rectangular top is fitted with its original mirrored verre églomisé glass surface, adding depth, light, and a subtle aged character that beautifully complements the burnished iron frame. Designed to slide neatly beneath one another, the tables offer versatile functionality while maintaining a sculptural presence when displayed together. Ideal beside a sofa, between lounge chairs, or layered in a stylish entertaining space, the nesting tables remain in excellent condition commensurate with age and use, and adorn a rich time-worn gilt finish with desirable patina throughout.

Each table Measures:

Small: 17.25"W x 14"D x 16.5"H

Medium: 19.5"W x 14"D x 16.5"H

Large: 21.75"W x 14"D x 17.75"H
