Place this elegant vintage walnut console table behind a sofa or against a wall. Crafted in France circa 1960 and over five feet long, the sofa table sits on cabriole legs over a scalloped apron, evoking the Louis XV style, known for its flowing lines and delicate curves. The table features three drawers across the front, dressed with simple yet charming bronze knobs, providing both functionality and understated elegance. The long and narrow tabletop has a rich, polished wood, highlighting its natural grain and adding a rustic warmth to the overall design. The Louis XV style sofa table is in excellent condition commensurate with age and use, and adorns a rich walnut patina. Versatile, the tall console would be suitable for various spaces such as an entryway, hallway, living room, or even a den under a flat screen TV, offering both storage and style. Measures: 61.5" W x 19" D x 37" H.
