Decorate a den with this elegant antique side table. Crafted in France circa 1950, and round in shape with recessed corners, the table sits on cabriole legs dressed with decorative bronze mounts at the shoulders and ending with bronze sabots. The table features detailed bronze work around the scalloped apron and is dressed with a luxurious variegated red marble top set inside a brass rim. The delicate round pedestal table is outfitted with a bottom shelf decorated with brass edging. The gueridon is in excellent condition commensurate with age and use, and adorns a rich walnut patina throughout.
