This elegant, kidney-shaped fruitwood antique commode was crafted in France, circa 1950. The commode sits on cabriole legs ending with bronze sabot mounts over a scalloped apron decorated with a bronze mount. The bow front features two drawers decorated with parquetry motifs and dressed with the original pulls and intricate escutcheons. The cabinet is further decorated with bronze mounts at the shoulders, and both rounded sides are also embellished with inlaid marquetry decor. The surface is dressed with the original beveled "Breche d'Alep" marble top. The traditional nightstand is in excellent condition with a rich walnut patina, and delicate marquetry and parquetry veneer embellishments. Versatile, the petite oval cabinet could be used as a bedside table, a side table next to an armchair, or as a small storage cabinet in a powder room. Key included. Measures: 23.75" W x 17" D x 30.5" H.
