Decorate a console or buffet with this elegant Art Deco trumpet vase. Crafted in France, circa 1960, the large luxurious glass vessel is decorated with hand painted splash motifs in the pale green palette; it is further embellished with gilt rings throughout. The piece stands on a sturdy circular base, a spherical middle, flowing into a large trumpet opening. The colorful flower vase is in excellent condition with soft colors. Measures: 6.5" diameter 11.75" height.
