Created in France circa 1950 and set in the original carved gilt frame, the hand painted canvas is a rendition of Jules Worms "The Politicians". The art depicts an outdoor scene with men in formal clothing talking gathered in a court yard; the scene is further embellished with intricately painted architecture. The artwork is signed in the lower right corner by the artist, Alina. The Realism style painting is in excellent condition commensurate with age and use, and adorns wonderful details and colors; a great wall decor for an office or study! Jules Worms (1832–1924) was a French painter and illustrator. He studied at the École des Beaux-Arts under Jean-Adolphe Lafosse and debuted at the Paris Salon in 1859.
