This elegant vintage rolling bar cart was created in France, circa 1960. Built in brass with a rectangular shape, the two-tier dessert trolley stands on small round wheels with rubber tires, and two glass surfaces. The top deck features a utilitarian handle for easily moving the cart around. The stationary bottom tray, also with original glass, is embellished with a liquor bottle compartment. The Classic serving cart is in good condition commensurate with age and use, and adorns a rich patinated polished brass finish. The rectangular table is practical and convenient, and could be used to hold bottles and glasses, and to serve cheese, dessert or tea during or after a meal! Small chip on glass see detailed images. Measures: 28.75" W x 18.25" D x 28.75" H.
