Add a delicate touch of Venetian charm to your interior with this petite Murano glass chandelier. Hand-blown in Italy circa 1960, the elegant four-light fixture features a central ribbed stem adorned with clear scroll work, soft blue scalloped bobeche, and pastel pink floral accents. Each gracefully curved arm supports candle-style lights, and the fixture is further embellished with pink glass tassel pendants for added whimsy and romance. The soft color palette of translucent blue, blush pink, and clear crystal brings a gentle, ethereal quality to the piece. Recently rewired for modern use, the chandelier is in excellent condition commensurate with age and use. Ideal for a powder room, nursery, or dressing area, this vintage Murano light fixture offers timeless charm with playful elegance. Chain and canopy included for installation.
