Make an elegant statement in a dining room, grand entryway, or large bedroom with this exceptional twelve-light chandelier. Crafted in Italy circa 1950, the round and airy fixture is adorned with an abundance of delicate details: hand-forged metal branches are dressed with crystal drops shaped like flower buds, hand-cut crystal blossoms, and leafy metal sprays in a soft, timeworn white finish. The scrolling arms curve outward gracefully, each terminating in a candle cup with decorative candle sleeve covers. The lighting fixture has been newly wired to U.S. standards and is ready to hang. Its generous scale and layered, nature-inspired design provide both light and visual texture, making it the perfect focal point for a dining room table, dramatic foyer, or even an elegant master bedroom with high ceilings. This vintage ceiling light is in excellent condition commensurate with age and use, with a wonderful patinated finish. Included with the fixture are a color-matched canopy, loop, and chain for easy installation. Measures: 38.5" diameter 39.25" height
