

MIDCENTURY FRENCH PULLED FEATHERED BLOWN CLEAR GLASS CENTER VASE

\$600

SKU: 223-100A

Stock: N/A

Categories: [Vases, Jardinières, Planters & Centerpieces](#)

This elegant, hand blown glass vase was crafted in France, circa 1950. The large vintage piece features a pulled feathered technique with an intricate elongated design. The large traditional center piece is in excellent condition with wonderful, artful shapes, forms and clear shade coloration; place this jardinière on a dining table filled with flowers or use it as a dish vide-poche on a console in an entryway. Measures: 29.5" W x 9" D x 10" H.
