Decorate a table or console with this colorful antique majolica planter. Crafted in Italy, circa 1960, the large, decorative ceramic composition features a swan standing on the edge of a flower pot. The whimsical cache pot is wide and round with an ornate, sculptural quality. The barbotine planter with bird is in excellent condition and adorns wonderful colors in the white, green and brown palette. Markings on the underside. 16"W x 10"D x 13.5"H
