Decorate a powder room or a bedroom with this elegant, antique mirror. Crafted in Venice, Italy, circa 1960 and shaped as a shield, the wall mirror with carved decor at the pediment features hand painted floral etching between raised medallions embellished by geometric pattern and small rosettes around the perimeter. The midcentury Venetian wall hanging mirror with beveled mercury glass is in excellent condition commensurate with age and use, and adorns a rich patinated finish. Small black speckles throughout for age authenticity (see picture). New wire has been added to the back for easy installation and handling. Measures: 19.25" W x 27.5" H.
