Crafted in France, circa 1890, these antique urns are carved of marble and stand on square bases ending with bronze rounded feet. Each vessel with bronze ring motif around, is dressed with a dome shaped lid embellished with a bronze flame form finial at the top. The body, dressed with side handles sits on an integral bronze support. The tall vases with variegated green and grey colors, are in excellent condition with a rich patinated gilt finish. Place these elegant cassolettes on a mantel or a console. Stamped "France" on the underside for further authentication. 7.25"W x 5"D x 12.5"H.
