

PAIR OF 19TH CENTURY FRENCH CARVED VERDIGRIS PATINATED BRONZE FISH-FORM VASES

\$1,200

SKU: 212-368

Stock: N/A

Categories: [Vases, Jardinières, Planters & Centerpieces](#)

Crafted in France circa 1890 and made of bronze, each vessel depicts a bass fish standing on his tail and fins, and with its mouth wide open. Wonderful details on fins and scales. The vases are in excellent condition with a beautiful patinated verdigris natural finish. A great addition for a summer cottage, lake house, or ranch.

Measures: 6" W x 5" D x 9.5" H.
