Categories: [Consoles](#)

Decorate two small corners with this pair of antique consoles, crafted in France circa 1820, each tall fruitwood table stands on a single carved and elegant cabriole leg embellished with foliage bronze mount at the shoulder and finished with paw foot at the base. The bowed surfaces are dressed with the original triangle and curved grey marble tops. Both corner tables are in excellent condition with a rich walnut patina. Measures: 18" W x 13" D x 34.5" H.
