These colorful antique vases were crafted in Normandy, circa 1890. Each ceramic vase, dressed with elegant side handles is round in shape, and decorated with hand painted floral and leaf motifs in a traditional blue, white and yellow Rouen palette; they are further embellished with the Normandy crest decor on the neck. The tall vessels are in excellent condition commensurate with age and use, and adorn rich and vivid colors. Place these vases on a mantel or a shelf for a true Country French look. Marking on the underside for further authentication. Measures: 8" diameter 13.25" height.
