Decorate a wall or a shelf with this pair of highly detailed, antique wall plaques. Crafted in France circa 1880, each oval plaque features a large repousse floral medallion in the center, and is embellished with leaf and floral decor around the periphery. Both textured pieces are in excellent condition and have a rich patinated silver finish. There's a hook installed on the back for easy installation.

Measures: 12" W x 8.25" H.
