

## PAIR OF 19TH CENTURY ITALIAN CARVED GILTWOOD CATHEDRAL CANDLESTICKS

**\$850**

---

**SKU:** 202-266

**Stock:** N/A

**Categories:** [Candelabras & Candlesticks](#)

Created in Italy circa 1880, each two-tone candle holder stands on a three-leg base triangle base over a decorative carved stem. The detailed church candlesticks flaunt their beautiful, original patinated gilt finish. Both pieces are in excellent condition and could be used to dress a dining table, a console in an entry or a bathroom counter. Candles included. Measures: 6" W x 6" D x 21" H.
