Decorate a den or game room with this pair of antique oval wall plaques. Crated in France circa 1870, each porcelain composition is set inside a repoussé brass frame. The ceramic plaques feature hand painted landscape scenes with chateau, trees, moat and bridge. Both pieces are in excellent condition, and have rich colors in a green and blue palette, and beautifully patinated brass finish frames.

Measures: 14" W x 17.25" H.
