This elegant pair of vintage decorative pillows showcases exquisite craftsmanship and refined materials. Crafted circa 1980, each pillow is square in shape and made with antique silk fabric in a pale silver celadon hue, adorned with embroidered floral damask motifs in a complementary ivory tone. The rich jacquard-style pattern is both subtle and sophisticated, lending a formal touch suitable for traditional or antique-inspired interiors. The pillows are framed with ornate fringe trim and delicate tassels in gold, green and silver tones, enhancing their texture and adding a touch of opulence. The reverse side is covered in a neutral velvet and features three fabric-covered buttons for closure, echoing the refined aesthetic of the front. In very good condition commensurate with age and use, these vintage French pillows are ideal for dressing up a settee, fauteuil, or bed, bringing luxurious texture and historic charm to any setting. A couple light small stains on of the pillows. Measures: 16.5" W x 5.5"D x 16.5"H.
