Carved of stone in France circa 2000 and set on a shaped base, the vintage garden sculptures feature two English bulldogs sitting on their back legs. The dogs dressed with a thick collar around the neck have wonderful facial expressions. The sculptures are in excellent condition and adorn a weathered patinated finish; they could be used on either side of a front or back door. Each small dog weighs 58 pounds. Measures: 12" W x 18" D x 15.5" H.
