Decorate a patio or backyard with this vintage pair of garden chairs. Crafted in Italy circa 1950, each outdoor seating features a seat attached to a sturdy column base decorated with foliage motifs in high relief. The concrete chairs have exquisite intricate carvings throughout and the back with scalloped edges has a shell form decor. The two matching armchairs are in excellent condition commensurate with age and use, and adorn a wonderful weathered patinated finish with evidence of outdoor use. The heavy chairs would make a wonderful addition to any garden! Weight 132 pounds each! Measures: 21"W x 19"D x 32.5"H
