Categories: [Vases, Jardinières, Planters & Centerpieces](#)

These elegant colorful antiques Famille Rose vases were created in China circa 1950. Standing on platform bases, the large vessel feature a flared rim and tapered body. Each body is decorated with hand painted figural scenes and geometric trim throughout. The tall vases are in excellent condition commensurate with age and use and adorn pastel painted colors in a green and pale blue palette over a white background. Measures: 7" diameter x 18" height (including bases).
