Categories: [Vases, Jardinières, Planters & Centerpieces](#)

These elegant and colorful vintage fishbowls were created in China, circa 1970. Round in shape, each large exotic porcelain planter features Classic foliage motifs throughout. The ceramic vases are painted on the inside as well with a traditional koi fish illustration motif. Overall, the Asian pieces are in excellent condition with multi-color palette and gilt accents. These bowl are a must-have for a traditional style home, or for the chinoiserie collector. Markings on the undersides, and drainage holes on the bottom for tree or plant accommodations. Measures: 19" Diameter 15.5" Height.
