Dress a powder room or a girl's bedroom with this elegant pair of wall sconces with floral motifs. Created in Paris, France circa 1950, each antique fixture is dressed with delicate porcelain flower blooms, bringing a touch of vintage romance and charm. The intricate metal work features flowing curves and leaf motifs. Each arm has new wiring and is gracefully embellished with decorative candle cover sleeves. The variety of colorful porcelain flowers are individually hand-painted in a charming palette of pinks, reds, yellows, blues, and greens. The vintage wall sconces are in excellent condition commensurate and age and use, and adorn a rich patinated bronze finish associated with bright colors. Measures: 13.5" W x 9.75" D x 12.25" H
