Dress a powder room or girl's bedroom with this elegant pair of wall sconces with bright floral motifs. Created in Paris, France circa 1950 in the matter of Maison Bagues, each fixture is dressed with delicate crystal flowers and porcelain blooms, bringing a touch of vintage romance and charm. The intricate metalwork features flowing curves and leaf motifs, with each arm has new wiring and is gracefully embellished with decorative candle cover sleeves. The cut crystal flowers capture and reflect light beautifully, while the porcelain flower accents add a soft pop of color. The antique wall sconces are in excellent condition commensurate and age and use, and adorn a rich patinated green painted finish with gilt accents. Measures: 13.75" W x 5.5" D x 17.5" H
