These elegant antique stools were crafted in southern France circa 1950. Standing on cabriole legs ending with escargot feet, each stool features a straight apron. The seat is newly upholstered with a wonderful dark green velvet fabric embellished with decorative brass nail heads. The stools are in excellent condition commensurate with age and use, and adorn a rich walnut patina. Use them for extra seating in a den or living room. Measure: 20.5" W x 20.5" D x 20" H.
