Categories: [Miscellaneous Accessories](#), [Wall Decor](#)

Decorate a dining room or living room with this elegant pair of antique wall carvings. Hand carved in Italy circa 1970 and almost 3 feet tall, each trophy features the traditional Louis XVI ribbon bow at the pediment, and carved twisted rope embellishments at the bottom. The center is decorated with music instruments including a violin and flute; it is further decorated with foliate and leaf motifs throughout. Both carvings are in excellent condition with a rich patinated gilt painted finish; these wall decorations could also be placed on either side of a large mantel. Measures: 10.5"W x 35.5"H.
