

PAIR OF MID-CENTURY FRENCH PATINATED CAST METAL GOOSE SCULPTURES

\$650

SKU: 232-438

Stock: N/A

Categories: [Miscellaneous Accessories](#), [New Arrivals](#)

Decorate a patio or garden with these geese garden sculptures. Crafted in France circa 1970 and made of metal, the sculpture depict a pair of geese standing. Both bird decor are in excellent condition and adorn a rich and natural patinated and oxidized verdigris finish with evidence of outdoor use. Versatile, these figures could also be placed on a counter or over kitchen cabinets. Measures: 20" W x 6" D x 20.5" H.
