Decorate a shelf or kitchen counter with this pair of antique Delft olive oil containers. Crafted in Holland circa 1960, each tall vase is dressed with a cork top, and features traditional hand painted blue and white Delft motifs including a wind mill. The faience bottles are in excellent condition, with rich hand painted colors, and stamped "Delft Blue Made in Holland Handwork" on the underfoot for further authenticity and provenance. Measures: 3.25" diameter 10.5" height.
