This lovely pair of vintage floral tapestry pillows adds a touch of timeless charm to any traditional or country-inspired decor. Made with 19th century tapestry from Aubusson, France, each large pillow is handmade with complimentary trim and tassels and velvet fabric. Featuring handwoven wool fronts, each cushion displays a vibrant arrangement of blooming roses, daisies, and wildflowers in shades of blush, lavender, ivory, and green, set against a soft beige background. The floral motifs are beautifully detailed 19th-century European needlepoint designs. Finished with a decorative trim of rose, gold, and sage tassels, these pillows offer texture and elegance. The backs are likely crafted from a coordinating fabric with hidden closures for easy maintenance. Perfect for adding warmth and color to a sofa, window seat, or bed, these tapestry pillows combine craftsmanship with rustic romantic appeal. Light wear consistent with age enhances their vintage character. Measures: 19" W x 18" H.
