Decorate a sofa or a master bed with this elegant pair of pillows. Made with antique tapestry from Aubusson, France, each large pillow is handmade with complimentary trim and tassels and velvet fabric. The pillow features a beautifully hand-stitched floral needlepoint design on a soft, cream-toned background. The lush tapestry showcases a romantic bouquet of blooming roses, peonies, and wildflowers in shades of burgundy, blush pink, sage green, and soft ivory, arranged in a naturalistic yet refined composition. Each pillow is elegantly dressed with a luxurious fringed trim made of braided cord and tassels in deep rose and gold, adding a rich, textural contrast and a touch of opulence; the reverse is finished with a solid complementary beige velvet commonly used in traditional tapestry pillows. The pillows, filled with down, are in excellent condition and have a well maintained, neutral color palette of beige, gold, green and pink shades. These accent pieces evoke French country elegance, perfect for adding warmth and antique charm to a sofa, armchairs, or bed; it would be especially at home in a traditional, vintage, or shabby chic interior. Measures: 27" W x 24" H.
