Crafted in France in the iconic LV monogram canvas with natural leather trim, each case features solid brass hardware, reinforced brass corners, and sturdy leather handles that have developed a rich caramel patina over time. The clean rectangular silhouettes and refined construction exemplify the enduring craftsmanship and understated luxury associated with the famed French maison.

Both suitcases open to fitted cream interiors with original securing straps, offering generous storage while maintaining a tailored presentation. The cases retain their original Louis Vuitton serial labels and engraved locking hardware marked “Made in France,” further highlighting their authenticity and collectible appeal. Ideal stacked in a dressing room, study, guest bedroom, or atop a luggage stand, these iconic cases also make exceptional decorative accents in both traditional and contemporary interiors. The pair is in excellent condition commensurate with age and use, with beautifully patinated leather and brass throughout.
