Add a soft and romantic accent to your home with this charming vintage floral tapestry pillow. Crafted in the town of Aubusson, France, the 19th century tapestry portion of the pillow features a handwoven wool front adorned with a lush bouquet of roses, violets, and foliage in muted tones of blush, lavender, moss green, and cream. The floral design is set against a pale background, evoking a classic country French aesthetic. Framed with red side panels and trimmed in playful pom-poms in shades of red, gold, and ochre, the pillow offers both visual interest and cozy texture. The back is likely finished in a complementary fabric and may include a hidden closure. With its timeworn elegance and beautifully aged patina, this decorative pillow is ideal for a settee, armchair, or guest bed in a vintage, cottage, or shabby chic setting. Measures: 19" W x 18" H.
